9. Organizational Chart :

Organizational Chart

10. Student Feedback Mechanism on Institutional Governance / Faculty Performance :

Suggestion boxes are maintained at appropriate locations in the Institute for student's feedback, especially with respect to academic, administrative, services and amenities matters.

11. Grievance Redressal Mechanism for Faculty, Staff and Students:

- Students can contact Head of Department through respective Class teachers for academic grievances, whereas in case of administrative grievances, students can meet Principal with HOD's permission.
- Faculties can meet either Head of the Department or Principal directly for redressal of any grievances. Apart from this, two separate grievance redressal Committees are functioning to cater to the needs of boys / gents staff and girls / ladies staff.

12. Name of the Department

A. D. Pharmacy

Pharmacists are healthcare professionals who practice in the field of pharmacy. They are knowledgeable about drug therapy, different types of drugs (their composition, manufacturing process and properties) and optimum use of drugs (depending upon the condition of the patient). Pharmacists are also known by titles such as- druggists, chemists and Doctor of Pharmacy. Their main tasks include- compounding, checking prescriptions, dispensing drugs, advice dosage and directions to patients and checking and maintaining the drug store inventory (at hospitals, clinics or drug stores).

Diploma in Pharmacy is a Diploma certificate course. The course consists of two academic years and practical training session. On course completion (academic program and practical training), successful candidates will get Diploma certificate from the University/Institute.

Department established in the year : 2018-19

Total Intake - 60
